

### **30 Under 30 Nominations Open**

In conjunction with [The Fastener Industry Coalition](#), Y.F.P., annually, runs a program that highlights 30, young industry professionals who are really making a difference in the industry. These individuals should be natural born leaders who are driven, motivated and passionate about their job and the future of this industry.

Applicants can range in departments, levels of experience and geographic location. Applicants can be nominated by either a colleague or themselves by completing the brief form on the "Nominate" tab.

The winners will be rewarded and announced at the National Fastener Industrial & Mill Supply Expo in Las Vegas October 21, 2015. Please nominate those young industry professionals whom have impressed you with their fastener industry initiative.
