

Join us for golf at the Baytowne Golf Club on the Sandestin property

The best in Florida golf. Baytowne Golf Club is the only course on Florida's Emerald Coast that extends from the beach to the bay, from the emerald waters of the Gulf of Mexico to the Choctawhatchee Bay. Revered as one of the finest course creations by renowned designer Tom Jackson, Baytowne Golf Club features some of the only elevation changes of any golf course in the area. It is as forgiving from the forward tees as it is challenging from the championship tees, plays 3,002 to 6,804 yards, multiple teeing areas and is excellent for all skill levels.
